About

coss is a Berlin-based Live Act, DJ, producer, label founder and musician. Since his first releases and DJ appearances in 2012, he has been shaping his own niche in the global electronic music landscape — combining deep grooves, storytelling elements, and an emotional core that runs through everything he creates.

He has released over **300 original tracks and remixes** on labels such as IRR, Katermukke, Dantze, Laut & Luise, Underyourskin, Mixmag Germany, Leveldva, Kindisch, Rebellion der Träumer, More Or Less, Akumandra, and many more.

As a touring DJ since 2015, coss has played in **over 30 countries**, including iconic venues such as Sisyphe, Watergate, Kater Blau (Berlin), Garbicz Festival (Poland), Knockdown Center (NYC), Basement (Miami), Leveldva (Moscow), Klein.Phoenix (Istanbul), Chill Out Festival (Istanbul), The Ballroom Blitz (Beirut), The Other Side (Amsterdam) and many more.

He founded the labels **Metanoia** (2015), **Mimoton** (2019) **Betonstrand** (2022) and **Neongrau** (2023), and in 2025 began developing a live Kundalini yoga format. He is also a

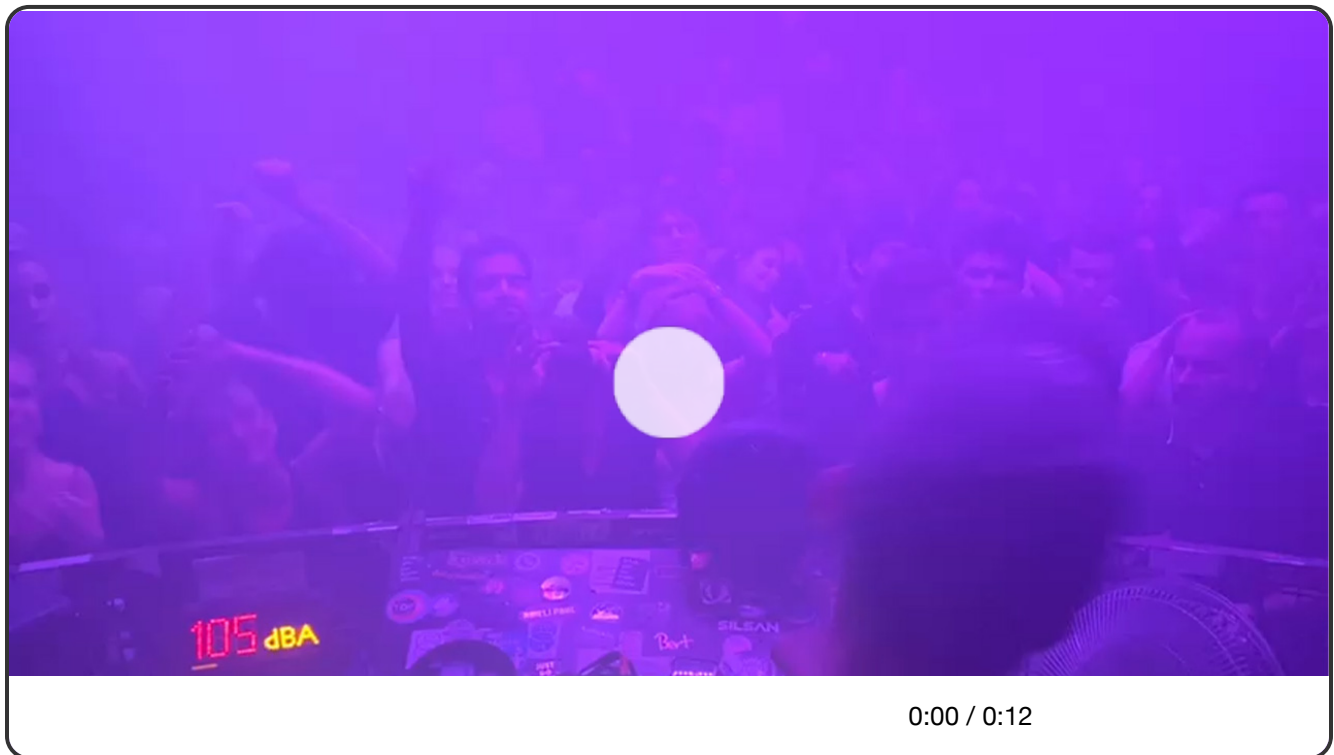

private mentor and mixing engineer. He's a relentless creative force – for the past few years, he's been dropping **new tracks every two weeks**, as if the music just never stops flowing.
